

HAPPY WIVES CLUB

Certificate of Appreciation

This certificate recognizes with deep gratitude that the following husband inspired his wife so much that she requested a national holiday be sponsored in honor of him:

Love Your Husband Day

henceforth will be held annually on the fourth Wednesday of January. Today, on the inaugural date of this holiday, January 22, 2014, your wife honors you for your love, kindness and sacrifice. And we honor you for being a man of integrity, character and one who has and will continue to honor the vows of marriage.
